A brief description of what I need is: _____

* Digital artwork needs to be in Acrobat, Illustrator, PageMaker, InDesign, PhotoShop, Quark, Corel Draw or Publisher. Where possible, please convert fonts to curves or outline format. Anything to be done in color needs to have all color defined as process for full color reproduction or as spot for single color reproduction. We can help with this if you do not know. For 1 color pieces files need to be created in 1 color spot. Both Mac and Windows files can be used.
